

# NIKITA CHERVOV

*ML Engineer*

✉ gcnikitchervov@gmail.com

☎ +79191028220

📍 Moscow, Russia

🐱 ChervovNikita

## OLYMPIADS

- Winner of Russian Olympiad in Informatics 2022
- Prize winner of Russian Olympiad in Informatics 2021
- Silver Medalist International IZhO Olympiad 2021
- Bronze Medalist International IZhO Olympiad 2022

## EDUCATION

High school

Computer Science

AIEO "Phystech-Lyceum" of Natural Sciences and Mathematics named after P.L. Kapitza

📅 September 2020 - June 2022

📍 Moscow region, Russia

## LANGUGES

- Russian: Native
- Engilsh: Dualingo 115 (B2+)

## SKILLS

- C++, Python, Git
- classical ML, CV, NLP

## WORK EXPERIENCE

Intern ML Engineer

Yandex

📅 December 2022 - current

📍 Moscow, Russia

- Improving advertisement quality research

## PROJECTS

Summarrization bot

📅 December 2021 - current

- The bot that can summarize Telegram dialogues
- We currently have more than 1000 requests every day
- [https://t.me/summarization\\_bot](https://t.me/summarization_bot)

Mail Hackathon

Prize winner

📅 November 2022 - December 2022

- predict probability of missing a mail
- Catboost, Feature Engineering

AgroHack Cup

4th place

📅 August 2022 - September 2022

- find similar images to a request in the database
- BeiT, Clustering

Furniture deleter in room mesh

📅 May 2022 - Jule 2022

- geometry algorithms
- classical ML algorithms, mesh builder model
